

CHEMISTRY

- **ZNChem 25**
Everything you need, nothing you don't!

HEMATOLOGY

- **ZBC**
CBC w/ Manual Diff Review, Path Review and Retic Count if needed!

FECAL

- **O&P**
- **Giardia ELISA**

URINALYSIS

- **Urinalysis**
Complete urinalysis including microscopic sediment review
- **Urine Growth / No Growth Culture**
Quick & simple growth/no growth bacterial culture. If growth is seen, ID & sensitivity can be added for an additional fee (\$45). If no growth is seen, there is no added fee and you are good to go!
- **Urine Protein: Creatinine Ratio**

COAGULATION

- **PT**
- **PTT**

ENDOCRINOLOGY

- **T4**
- **Free T4**
- **TSH**
- **Cortisol**
- **Fructosamine**
- **Progesterone**

SEROLOGY/INFECTIOUS DISEASE

- **Heartworm Antigen** (for Feline HW Antibody see Green Tests)
- **Ehrlichia**
- **Lyme**
- **Anaplasma**
- **FelV**
- **FIV**

INDIVIDUAL TESTS

- **Pancreatitis Assay** (DGGR Lipase)

NOTE: For detailed information about each test (e.g., methodology, etc.) visit our website: www.znlabs.com to see the full Directory of Services.

MAKE YOUR OWN CUSTOM PANELS

JUST DEFINE WHAT YOU USE THE MOST

EXAMPLE CUSTOM PANELS

- **PANEL 1: ABC Vet Clinic General Panel** COMPONENTS: **CBC, CHEM, U/A**
- **PANEL 2: ABC Vet Clinic Senior Panel** COMPONENTS: **CBC, CHEM, U/A, T4, Free T4**

LOGISTICS CHARGE

\$7 PER PACKAGE

No matter how many samples are in the package or one courier pick-up, how many tests are run per sample or which tests (Green, Blue or Orange) are run. A package or one courier pick-up with 1 sample has a \$7 logistics charge. A package or one courier pick-up with 15 samples has a \$7 logistics charge.

OUR PHILOSOPHY: SIMPLE. FRIENDLY. FAIR.

It Just Makes Sense!

SIMPLE

- **Astonishingly simple test menu.** [do you really want a 200 page test guide?]
- **Prices you actually understand** and remember.
- **Fast and easy** from order, to shipping, to results.

FRIENDLY

- **We love to help!** We welcome requests, & address issues rapidly – with a smile. :)
- **Talk to a real live person** when you call [no annoying phone trees]. We're here for you!
- **Free testing** for all Dr and staff pets [equal is beautiful]!

FAIR

- **No contracts, ever!** Our service will keep you.
- **Amazing prices.** Save money and smile.
- **Billing issues fixed in a flash.** In fact – remove anything in question from your bill, no need to ask.

simple. friendly. fair.

HISTOPATHOLOGY

- **Simple:** Single lump, bump, tissue or non-complex lesion
- **Complex:** Everything else
(Anything containing bone, more than one lump or bump, a huge lump or bump, a whole liver lobe, a whole spleen, an amputated digit or leg, a mandibulectomy, a whole eye, and dermatohistopathology cases.)
- **Dermatohistopathology** w/ Dermatology Consult
- **Liver Biopsy** w/ Quantitative Copper & Liver Special Stains
- **Necropsy in a Jar**

CYTOLOGY

- **Simple:** Single FNA
- **Complex:** Choose test type below
 - FNA of more than one site
 - Joint Fluid
 - CSF Analysis
 - Bone Marrow
 - Fluid Analysis (non-joint)
 - BAL
- **Digital Cytology**
Ask about our streamlined system of digital cytology submission via the Motic Panthera L

MICROBIOLOGY

- Aerobic C&S
- Aerobic C&S & Anaerobic ID
- Urine C&S
- Fungal Culture
- Fecal Culture
- Dermatophyte Culture

ENDOCRINOLOGY

- **ACTH Stim**
 - 1 pre to 1-1hr post
Additional post samples can be submitted if desired.
- **Dex Suppression**
 - 1 pre & 1 post
Additional post samples can be submitted if desired.

INDIVIDUAL TESTS

- Stone Analysis
- Urine Cortisol:Creatinine Ratio
- iCa⁺⁺ (ionized calcium)
- SDMA

NOTE: For detailed info about each test (e.g., methodology, TAT, etc.) visit our website: www.znlabs.com to see the full Directory of Services.

SEROLOGY/INFECTIOUS DISEASE

- **Fungal Titers**
(Coccidioides, Blastomyces, Histoplasma)
- **Tick Titers**
(E. canis, R. rickettsia, Anaplasma spp., B. burgdorferi)
- **Toxoplasma Titers**
- **K9 Core Vaccine Titer**
(Distemper, Parvo, Adenovirus)
- **Feline Core Vaccine Titer**
(Herpesvirus, Calicivirus, Parvovirus [Panleukopenia])
- **Feline Heartworm Antibody**
- **Rabies Titer** (not for export)
- **K9 Core Vaccine & Rabies Titers** (not for export)
- **Leptospira 7 Serovar Titer**
- **Leptospira 7 Serovar Titer & PCR**
- **Lepto Rapid Assay**

GI/PANCREATIC TESTING

- **Bile Acid Pre/Resting**
- **Bile Acid Post**
- **K9 Pancreatic Lipase (PLI)**
- **Feline Pancreatic Lipase (PLI)**
- **TLI - K9**
- **TLI - Feline**
- **K9 or Feline Cobalamin, Folate**
- **K9 or Feline TLI, Cobalamin, Folate**
- **K9 or Feline PLI, TLI, Cobalamin, Folate**

PCR TESTING

- **K9 or Feline GI/Diarrhea Panel**
- **K9 or Feline Respiratory Panel**
- **K9 or Feline Anemia Panel**
- **K9 or Feline Fever of unknown origin Panel**
- **Feline Hemotropic Mycoplasma (Hemobartonella) by PCR**
- **K9 Parvovirus by PCR**
- **Feline Parvovirus (Panleukopenia) by PCR**

THERAPEUTIC DRUG MONITORING/PHARMACOLOGY

- Bromide
- Phenobarbital

LOGISTICS CHARGE

\$7 PER PACKAGE

No matter how many samples are in the package or one courier pick-up, how many tests are run per sample or which tests (Green, Blue or Orange) are run. A package or one courier pick-up with 1 sample has a \$7 logistics charge. A package or one courier pick-up with 15 samples has a \$7 logistics charge.

ENDOCRINOLOGY

- **Extensive K9 or Feline Thyroid Panel**
(K9: TT4, TT3, FT4d, T4AA, T3AA, TSH, TgAA.
Feline: TT4, TT3, FT4d, TSH)
- **Malignancy Panel** (PTH, PTHrp, iCa++)
- **Parathyroid Panel** (PTH, iCa++)
- **Free T4 by ED**
- **Glucose Curve**
- **Insulin**
- **Ovarian Remnant Syndrome**
(Anti-Mullerian Hormone, Progesterone)

SEROLOGY/INFECTIOUS DISEASE

- **Knotts**
- **Feline Coronavirus**
- **Brucella Canis RSAT**
- **Brucella Canis IFA**
- **FIP by PCR**
- **Bartonella by PCR**
- **Bartonella Serology**
- **Lyme Canine Multiplex Assay**
- **FeLV by IFA**
- **FIV by Western Blot**
- **Cryptococcus Antigen**

INDIVIDUAL TESTS

- **Amylase**
- **Protein Electrophoresis**
- **Acetylcholine Receptor Antibody/Myasthenia Gravis**
- **2M Antibody Masticatory Muscle Myositis**
- **Taurine**
- **Full Amino Acid Profile**
- **Protein C**

PCR TESTING

- **Individual Organism**
- **Pick 4 Organisms**

TOXICOLOGY

- **Blood Lead**

THERAPEUTIC DRUG MONITORING/PHARMACOLOGY

- **Digoxin**
- **Zonisamide**
- **Cyclosporine**
- **Levetiracetam**

HEMATOLOGY

- **Fibrinogen**
- **Hemostasis Panel** (aPTT, PT, TCT, WWF:Ag)
- **DIC Panel** (aPTT, PT, TCT, Fibrinogen, D-Dimer)

HISTOPATHOLOGY

- **Mast Cell Tumor Prognostic Panel**
- **Mast Cell Tumor PCR Exon 8&11 c-KIT Gene**
- **Lymphoma PCR/PARR**
 - T & B Cell
 - T or B Cell
- **Quantitative Copper**
- **Melanoma Diagnostic Panel/Cocktail**
- **Melanoma Prognostic Panel**
- **Histochemical Stains** (PAS, GMS, Copper, etc)
- **Duplicate Stained Slide**
- **Duplicate Unstained Slide**
- **Immunohistochemistry** (1 Stain)
- **Immunohistochemistry** (Each additional stain on same sample)
- **Necropsy**

CYTOLOGY

- **Buffy Coat**
- **Lymphoma PCR/PARR** from cytology slides
- **Immunocytochemistry**

GI/PANCREATIC TESTING

- **Occult Blood**

NOTE: For detailed info about each test (e.g., methodology, TAT, etc.) visit our website: www.znlabs.com to see the full Directory of Services.
